The Principal is accountable for ensuring that the Flinders Club Sports Child and Youth Risk Management Strategy is developed, implemented and reviewed annually.

Flinders Club Sports is committed to review this Child and Youth Risk Management Strategy at least once every year. The review findings will inform the development of the new strategy document. Notwithstanding the scheduled review, should circumstances change significantly before the 12-month review period, the Strategy will be immediately reviewed in order to maintain appropriate accuracy, relevance and authority.

Flinders Club Sports was established in 2020. It was determined in November 2020 that The Matthew Flinders Anglican College Child and Youth Risk Management Strategy Committee (CYRMS or Committee) would include a representative from Flinders Club Sports. The Committee will ensure that the annual review process is timely, robust and captures the processes in place to manage the risk to children and ensure that the document is representative of the actions occurring across the whole Club.

The CYRMS Committee will comprise the following roles, which is determined by the Principal: Clubal
